Female

Male

---

*Research Topic*

---

What is the extent to which students at my school are harassed?

**OBJECTIVES**

To find out the level of harassment at my school?

To find the effects of harassment

To find out how students react to being harassed.

---

*Reason for selecting area of research*

---

In our society today harassment is a vexing issue. The school is not immuned from this problem. More and more person are becoming more aware of the dangers attached to this issue.

I have observed many forms of harassment happening at my school. As a result I have become interested in investigation this issue. The researcher intends to find the level of harassment at my school and the ways how individuals deal with it.
